

Cognitive Assessment & Care Plan Services

This page is for health care providers.

If you're a person with Medicare, [learn more about your Medicare coverage for Cognitive Assessment & Care Plan Services.](#)

If your patient shows signs of cognitive impairment during a routine visit, Medicare covers a separate visit to more thoroughly assess your patient's cognitive function and develop a care plan – use CPT code 99483 to bill for this service.

As of January 1, 2024, Medicare pays approximately \$268 (may be geographically adjusted) for these services when provided in an office setting.
