

COVID-19 Diagnostic Testing

Milwaukee Community Health Centers

If you have ANY of the following symptoms:

- Fever
- Cough
- Shortness of Breath
- Sore throat
- Headache
- Fatigue
- Body or muscle aches
- Nausea
- Vomiting
- Loss of smell
- Loss of taste

You may need a COVID-19 test

Call your nearest Milwaukee Health Center or 211

Diagnostic testing is by appointment only

- If you have symptoms, call your nearest health center to see if you need to be tested before going to a clinic.
- If you already have a regular doctor but they aren't providing testing, you can still get tested at a health center. Make sure to give the health center your doctor's information.

There are no insurance, income, or immigration restrictions.

Call 211 to help get connected.
