COVID-19 Vaccine Codes: Updated Effective Date for Moderna

On December 18, 2020, the U.S. Food and Drug Administration issued an [Emergency Use Authorization \(EUA\) for the Moderna COVID-19 Vaccine](#) for the prevention of COVID-19 for individuals 18 years of age and older. Review Moderna's [Fact Sheet for Healthcare Providers Administering Vaccine \(Vaccination Providers\)](#) regarding the limitations of authorized use.

During the COVID-19 Public Health Emergency (PHE), Medicare will cover and pay for the administration of the vaccine (when furnished consistent with the EUA). Review our updated [payment and HCPCS Level I CPT code structure](#) for specific COVID-19 vaccine information. Only bill for the vaccine administration codes when you submit claims to Medicare; don't include the vaccine product codes when the vaccines are free.
