

COVID VACCINE EDUCATION RESOURCES

Anthem Foundation partnered with American Lung Association to develop toolkits that provide resources to providers to address the underlying reasons for vaccine hesitancy in multiple race/ethnic groups.

COVID-19 Vaccine Hesitancy_ 12 Thing

Finding Credible Vaccine Information

The screenshot shows the American Lung Association website. At the top, there is a navigation bar with links for Shop, Blog, LUNG FORCE, Help & Support, Español, and Login. The main header features the American Lung Association logo, a 'Call Our Help Line' button, and a search bar. Below the header is a dark blue navigation bar with links for Lung Health & Diseases, Quit Smoking, Clean Air, Research & Reports, Policy & Advocacy, Get Involved, and a yellow 'DONATE' button. The main content area is titled 'Better For It Series' and contains text about COVID-19 vaccination. To the right is a video player featuring Sumita Khatri, M.D., MS, Vice Chair, Board of Directors, American Lung Association, and Director, Asthma Center, Cleveland Clinic. The video player includes a play button and a 'WATCH VIDEO' link.

Better For It Series

Many Americans are still deciding if they will get the COVID-19 vaccine. We are proud to work with our partners to provide culturally relevant, science-based, factual guides about COVID-19 vaccination.

Become a Vaccine Ambassador and use these materials to help start a conversation with your friends, family and community to make a well-informed decision about vaccination.

Sumita Khatri, M.D., MS
Vice Chair, Board of Directors, American Lung Association
Director, Asthma Center, Cleveland Clinic

Sumita Khatri, M.D., MS emphasizes the importance of asking questions and encourages everyone to talk to their primary care physicians about planning for the COVID-19 vaccine.
